

This Comparative Products Guide has been set up to show Reese Catalog Numbers and Comparable Products made by other companies. In all cases the comparable items are the same in function and in application. However, because of the wide variety of designs and style among manufacturer, the products may not be identical in dimensions and material. Exact specifications should be verified by referring to the catalog.

Most Parts are available in other finishes by changing the letter behind a part number such as A is mill, C is clear, G is gold, and D is dark bronze anodized.
