

REESE PRODUCT NUMBERS -- CROSSOVER CHARTS

This Comparative Products Guide has been set up to show Reese Catalog Numbers and Comparable Products made by other companies. In all cases the comparable items are the same in function and in application. However, because of the wide variety of designs and style among manufacturer, the products may not be identical in dimension and material. Exact specifications should be verified by referring to the catalog.

Most parts available in finishes by changing letter behind part number to the below:
