

This Comparative Products Guide has been set up to show Reese Cat: Page 1
 and Comparable Products made by other companies. In all cases the comparable
 items are the same in function and in application. However, because of the wide
 variety of designs and style among manufacturer, the products may not be identical
 in dimensions and material. Exact specifications should be verified by referring
 to the catalog.

Most Parts are available in other finishes by changing the letter behind a part
 number such as A is mill, C is clear, G is gold, and D is dark bronze anodized.
